

This past year and a half has been challenging for us all. From the challenges of mask wearing, social distancing and vaccinations to missing getting together with friends and family. I feel our club board has strived to listen to public health recommendations to keep us as safe as possible. The Board also strived to further the needs of the Club and its members through the first three and now the fourth covid wave.

#### Update on Board/Club Activities for 2020/2021
